

*Claims:*

1. Unique cover with three cut outs that allow for the photo, names and dates and a special message to show through.
2. The covering has an oval cut out for a photo to show through.
3. The covering has a rectangle cut out for the names and dates to show through.
4. The covering has a rectangle window cut out so that a poem, prayer or song can show through.
5. The covering allows for the ability to slide a personalized card behind giving it a “picture frame” effect.
6. The covering can be assembled using the two tape strips that are provided.
7. The covering is made of an eighty-pound paper.
8. The covering is made of paper.
9. The covering has three bottom flaps, two that are identical and another, known as the locking flap, locks all three flaps into position.
10. The covering has scores to make folding and assembling easy.
